## WINTER ROARIE REGENTS

MADISON HUNT

GRADE: 12

VARSITY SOCCER

### **Why is this athlete being nominated for athlete of the month?**

Madison has consistently brought a positive attitude to the team, her coaches, and everyone around her. She has been able to multi-task an extremely full schedule while continuing to push herself on the soccer field. Her work ethic off and on the field is truly unique and well deserving of this award.

### **Player/Team Statistics**

Madison was a starter on many games including senior night and played in key games including the final 3 wins of the season. She played outside midfield and forward this year and did very well when she was on the field.

MIRA SERRATO

GRADE: 9

SPORT: JV SOCCER

### **Why is this athlete being nominated for athlete of the month?**

We decided to nominate Mira because she has consistently shown hard work, dedication, and commitment throughout the season. Even though she is only a freshman, she has been an example to her teammates of good sportsmanship and was one of the hardest workers on the team. Towards the middle of the season, she had to play a position that she had never played before due to injuries on the team and she never once complained and she did an amazing job. She always did what she was told and she earned a starting spot in the lineup and proved to be an extremely valuable player. She always gave her best effort every time she stepped on the field whether it is at practice or a game and she fought hard for every ball. Mira just has a great attitude and always listened and showed respect to us as her coaches. We couldn't be more proud of the player she has become and the type of person she is

### **Player/Team Statistics**

Moved from outside mid/forward to defensive holding mid. Scored 3 goals and was a key player in the center of the field.

## WINTER ROARIE REGENTS

AURORA DATUIN (TIA)

GRADE:12

SPORT: VARSITY BASKETBALL

KELLY RAY

GRADE: 10

SPORT: JV BASKETBALL

### **Why is this athlete being nominated for athlete of the month?**

Kelly Ray has shown so much growth since her start at St. Lucy's and I have been fortunate enough to see all her improvements. Kelly is one of the strongest players on the team, on and off the court. We had a new group of freshman that played her position that looked up to her strength on the court and her ability in being one of the most aggressive players. She has such a love for the game that she turns into a completely different girl when she's playing; off the court she is quiet, keeps to her studies and is a very sweet girl. Kelly is always trying to improve her game by asking questions about games the night before on what she can work on or what she did well. It is admirable to see a girl so passionate about school and her studies and translating it into her sport. She is involved with the Kiwanis volunteering at all kinds of school functions as well as outside of school activities. Kelly deserves the award because she demonstrates all the qualifications: hardworking, helpful to others, pride in her school and exhibits a great love for her teammates and the game.

### **Player/Team Statistics**

She has started every game this season, with the most rebounds.

## SPRING ROARIE REGENTS

M. SYDNEY WALKER  
AND SAMANTHA KANG  
GRADE:12

Both are senior sprinters. They have been on the team for three years and have switched back and forth in the season between jv and varsity. Both do the right thing even if it's hard. They are captains and are extremely spirited and positive and are a noticeable part of the team.

HEATHER SEMAN

## SPRING ROARIE REGENTS

ALYSSA SAVALA

GRADE: 10

SPORT: VARSITY SOFTBALL

BRIANNA VALIZAN

GRADE: 11

SPORT: JV SOFTBALL

### **Why is this athlete being nominated for athlete of the month?**

This young lady is being nominated because of her great sportsmanship, her attitude, her desire to learn the game and her desire to improve her skills. Brianna is a multi-sport Athlete, she joined the JV Softball team late due to her commitment to our Regent Varsity Basketball Team, but from day 1 she has proven herself to be a leader with constant positive interactions with her teammates. She is always smiling, and praising her teammates on a job well done. Brianna is also the first player to make a positive comment to her teammates. Brianna's positive attitude is contagious and her commitment to playing softball unmatched.

### **Player/Team Statistics**

Brianna has started out the season playing center field and hitting in the leading off position for the lady Regents, she currently has a .286 batting average. Brianna's accomplishments don't end on the field, she is at the top of her class academically. Although, she will not admit it (because she is so modest), she is at the top of her class. Her 4.3 GPA will confirm her student /athlete commitment. Great Job and keep up the good work Brianna.

## SPRING ROARIE REGENTS

KAYLIE MAYNARD

GRADE: 9

SPORT: JV SOFTBALL

### **Why is this athlete being nominated for athlete of the month?**

This young lady is being nominated due to her “CAN DO” attitude, extremely spirited, and always ready to play. This year, the JV team suffered several injuries to key players. This young lady showed up to every practice worked hard, and always had a smile accompanied with a great “Can Do Attitude”. I have had to place her in different positions, and no matter where I asked her to play she did it with a smile. Her famous last words “I’ll play where you need me Coach”. So, I would plug her in, and she would always give me 100%. I also hear the girls talk about her off the field commitment to her academics, it’s awesome. Keep up the good work Kaylie!

### **Player/Team Statistics**

She has played Catcher, First base, Second base, and both corners of the OF. Extremely impressive coming from a Freshman, great attitude. She has also contributed with big hits throughout the season. She’s been placed in the “cleanup” position (4th) as well as the DP and has come through with big hits the entire season. She is a true “Team Player” she will try and do anything that we think will benefit the team...a true pleasure to coach this young lady.
