SATURDAY, MARCH 24, 2018

BASH (Building a Scholastic Heritage) has been the school's largest event for more than 40 years. All proceeds raised at BASH provide additional funds to the school for short and long-term institutional needs.

St. Lucy's strives to offer a well-rounded, Catholic education that empowers students to be spiritual, educated, integrated and collaborative women. This year, your support for BASH will help St. Lucy's create an environment where a STEAM program can be further developed. STEAM stands for Science, Technology, Engineering, Arts and Math and is designed to arm students with the skills and knowledge they need to be successful innovators in the 21st Century. We hope that growing our Student Enrichment Programs will help us reach our goal of a cohesive and integrated STEAM program for our students.

THE EVENT

On Saturday, March 24, the festivities will begin at 6 p.m. in the St. Lucy's gymnasium with a viewing of live and silent auction items, along with appetizers and cocktails (no host) and a delicious buffet dinner. The live auction will feature a variety of sought-after items, including trips, event tickets, jewelry and much more.

And, at the end of the evening, we will announce the winner of the Grand Prize Raffle, including the winners of the \$10,000 first prize, \$1,000 second prize and \$500 third prize.

Ticket prices are \$75 per person (\$100 after March 15, 2018).
