Growing for You

The Growing for You (GFY) Annual Giving Program was established in 1981 and provides unrestricted funds to the school to fund capital projects, improve facilities and support innovative teaching programs.

Each year, the school takes parent commitments to the Growing for You Program into consideration when planning for improvements and establishing new educational programs for students and faculty. Contributions to the Growing for You Program not only help close the gap between tuition and actual costs, it ensures that all St. Lucy's students have the best resources in which to learn and grow.

During their first year of their daughter's enrollment at St. Lucy's, all parents are asked to make a pledge of \$4,000 to the school payable over the four years of their daughter's enrollment. All donations are 100% tax deductible and can be paid monthly, quarterly or annually.
