# PARENT PARTICIPATION PROGRAM OVERVIEW

As a member of the St. Lucy's community, each family is an essential part of the culture of philanthropy. Your commitment and partnership are vital to the school's strong academic and spiritual environment that helps St. Lucy's continue the mission of helping young girls grow into strong and vibrant young women equipped to make their mark on the world. **If you have any questions, please visit [stlucys.com](http://stlucys.com) or contact the Advancement Office at (626) 963-0017.**

## Requirement #1: *Growing For You* Annual Giving Program

The GROWING FOR YOU ANNUAL GIVING PROGRAM, established in 1981, provides unrestricted funds to the school to fund capital projects, improve facilities and support innovative teaching programs. Financial gifts to this endeavor have allowed St. Lucy's to finance the construction of the gymnasium (1981), the North Building (1996), and the state of the art wi-fi network to support learning through technology.

Each year the school relies on parent commitments to the GROWING FOR YOU PROGRAM when planning improvements, establishing new programs and executing long-term maintenance to benefit students, parents, faculty and institutional growth. Contributions to the GROWING FOR YOU PROGRAM ensure that St. Lucy's students have the best resources in which to thrive academically and to support parents in the student growth and development as young women.

All school families are required to complete their GROWING FOR YOU commitment card and fulfill the donations and activities needed. The GROWING FOR YOU pledge program is part of the parent registration commitment in which new and returning families are asked to assist in covering the difference between the tuition and the actual cost of educating each student. A minimum suggested donation of \$4,000, or \$1,000 per year, is appreciated for current and future growth and continuation. Throughout the years, St. Lucy's has also been truly grateful for families who were able to give more. (Remember, the donations are tax deductible.)

New families will learn more about GROWING FOR YOU at the New Parent Orientation and Guidance Meeting August 29, 2019 in the Regent Resource Center at 7 p.m. Your support is greatly appreciated.
